## **Operating Hours and Procedures**

**We are open from 7:30am to 6:00pm.** Children may be dropped off with camp staff or picked up at any time within those hours.

### **Sign-In**

Camp Pavilion parents will walk to the front desk at the Pavilion to sign their child in between 7:30am and 9:30am. After this time, you will be required to sign-in with camp staff.

Sign-In is critical for the safety of our children. Failure to sign you child in could result in your child's removal from the program.

### **Sign-Out**

**An authorized caretaker is required to sign your child out each day. Staff will only release your children to individuals listed in your registration information.**

**Parents and any other individuals should come prepared to show their photo ID each time they arrive to pick up a child.**

You may add an authorized pick-up name to the list by letting the camp coordinator know via personal conversation or email.

These policies have been established for your child's safety. Please be patient with our staff as we learn names and faces throughout the summer.

### **Late Pick-Up**

If you or your designated pick up individual arrive after 6:00pm to pick up your child, a \$1.00 per minute late fee will be charged. This fee will be charged to the card you have on file for auto draft.

### **Medical Needs**

If your camper needs to have medication of any kind administered during camp hours, please alert camp staff. You will be required to submit a form for the medication needed. Staff will directly monitor/supervise the administration of medicines or testing procedures as required or provide appropriate medical personnel to administer or distribute any medicines.

All medications must be submitted on a daily basis in a correctly labeled prescription container, and will be required to be kept in our locked storage. A "sharps box" will be available if needed for needles, finger prickers, or other sharp items which are considered a biohazard.

If your child is ill or has a fever, he/she may not attend camp.

Continued...

In the event that your camper is ill or injured and requires more than basic first aid, the following steps will be taken:

- 1) Staff will call 911 and then notify the parent or guardian.
- 2) If the parent/guardian is not available, the emergency contact listed on the child's registration form will be contacted.
- 3) If no one on the form can be contacted and it is imperative that the child receive immediate emergency care, paramedics will take the injured child to the nearest hospital accompanied by a Greenville County Rec staff member.
- 4) Greenville County Rec staff will continue to call until someone on the child's form is reached.

### Transportation

Campers will be transported using Greenville County Rec busses. Full size busses are operated by certified CDL bus drivers.

### **Weekly Calendars**

Our weekly calendars are distributed on a bi-weekly basis at our sign-out table. They are filled with all the daily information you need to make sure your child is prepared for camp. Contact info, payment reminders, departure times, and what your child will need are all listed.

### **What Do I Wear?**

Your child should be dressed comfortably in clothes for being active and getting dirty.

Send them dressed in t-shirts, shorts, tennis shoes and socks, and sunscreen.

The Camp t-shirt should be worn on all field trips. Each child is provided with one t-shirt, and additional shirts may be purchased at the Pavilion front desk while supplies last. Each additional shirt is \$10 plus tax.

On swim days, your child should come to camp wearing his/her bathing suit. This speeds up the process of entering the waterparks. For additional sun protection, tight fitting swim shirts are very helpful.

### **What Do I Bring?**

#### Food

Your camper should attend camp with a morning snack, lunch, and afternoon snack each day, unless lunch is included with a field trip. These items should not require the use of refrigeration or a microwave.

Please do not send glass containers.

Continued...

Water and other hydrating drinks such as Gatorade/PowerAde are strongly recommended. Please do not send soda.

Please avoid peanut products out of consideration for the many children who have peanut allergies.

Each camper should have his/her own lunch cooler and backpack. Please remember that your camper will be responsible for carrying all their belongings with them on days we travel.

### Supplies

Send your camper with food, a water bottle, sunscreen, and a change of clothes every day.

It is important for your camper to bring a bag even on days we do not travel so they have a consolidated place for their belongings.

Please consistently monitor your camper's supply of sunscreen throughout the summer. We ask them to apply it often and it will run out quickly.

### **Electronic devices and cell phones are not permitted at Camp Pavilion.**

Campers are responsible for any belongings they bring to camp. Greenville County Rec will not be held responsible for valuables such as game systems, personal electronic devices, jewelry, excess money, etc. **Please check your child's belongings before and after camp each day.**

Unsafe items such as sharp objects are not permitted at camp.

### **Label everything.**
